Introduction

The Gallatin County Detention Center's top priority is the safety and security of everyone in the facility. For information on an inmate please contact us at 406-582-2130. We have people able to answer your questions 24/7 over the phone and questions can be asked in person during typical business hours. On occasion, we are away from the desk, please leave a message and your call will be returned promptly.

Funds/Commissary/Phone Calls/Video Visitation

Each inmate has a trust account s/he may use to purchase commissary items or phone minutes. You can put funds on an inmate's account using the kiosk in the lobby or by computer at <https://secure.inmatecanteen.com>. If you have specific questions in regards to the phone system you may contact Telmate at 866-516-0115 or visit the website www.gettingout.com. When an individual leaves the Detention Center s/he will receive a check for the balance of their trust account.

Transports

If your family/friend is to be transported to another county or state, we are unable to discuss any information for safety and security reasons. Thank you for your understanding.

Bond

Bond is the amount the judge sets to guarantee an individual goes to court as required. If you would like to help your family/friend post bond, you can bring in cash, certified check (payable to: Gallatin County Detention Center), or work with a bond company. Bond companies are listed in the phone book or business cards are in the Detention Center lobby.

Medical/Mental Health

Gallatin County Detention Center Medical Clinic (GCDCMC) provides medical care for the Detention Center. Detention Center Staff or GCDCMC may contact you to bring medication for your family/friend. Due to HIPPA regulations, GCDCMC is unable to discuss medical or dental care, medications, or other medical issues. Gallatin Mental Health Services also provides staff at the Detention Center to work with inmates with mental health needs.
