You have contacted the Sheriff's Office to request the presence of Deputy Sheriffs at your function.

The Sheriff's Office will provide you with the requested Law Enforcement presence except in the case of exceptional emergency circumstances. Keep in mind that the Law Enforcement Officers are there to provide Law Enforcement services such as enforcement of criminal law, breaches of the peace and protection of life and property. They will not engage in duties such as parking, ID checking at the door, crowd management or other activities that are the responsibility of the event sponsor.

The minimum is 2 Deputies for 3 hours at \$60.00 per hour. The number of Deputies required will depend on the type of event, number of people, ages of the target audience, **past history and other factors. The Sheriff's Office will bill you or the responsible party.**

Please provide me with a return email containing the following:

- Accepting the conditions set above
- Dates and times you want the service
- A contact person for the Deputies and cell phone number
- Where the Deputies should check in
- Responsible person or entity
- Billing address

Do not hesitate to call me directly with any questions.

Thank You.
