TO: County Commissioners  
Jim Doar, County Administrator

FROM: Justine Swanson, Chief Financial Officer

RE: 3rd Quarter Report – January to March 2021 (75.00% of year)

DATE: Tuesday, June 1, 2021

---

Following is my review of financial activities through March 2021.

This 3<sup>rd</sup> quarter report highlights funds that are outside of a 4% variance for expenses and/or revenues or have negative cash balances. Funds with a negative cash balance are listed along with an explanation of the cause.

## **REVENUES**

### **Taxes:**

- County Tax Supported Funds – Property tax collections are 64.44% versus 61.94% in FY 2020 and the 53.47% 10 year average.
- All Funds – Overall taxes are at 61.95%.

### **Non-Tax Revenues:**

- Most operating funds are at or above projects for non-tax revenue collections.
- Land use fees – Clerk & Recorder recording fees are 51.63% above budget at March 31<sup>st</sup> with three months remaining in the fiscal year. If this trend continues, recording fees could come it at \$1.4 million, or double the budget. Zoning and Subdivision fees are 39.58% above the annual budget with projections showing a total of \$350,000 above projections by year end.
- State or Federal payments are above budget. This is largely due to Federal programs related to the COVID-19 pandemic.
- Civil Fees for Justice Court are running considerably below projections at 3.78% through the 3<sup>rd</sup> quarter of the year.
- The Rest Home is performing well thanks to federal and state pass-through programs related to the pandemic with non-tax revenues coming in at 78.39% for the 3<sup>rd</sup> quarter.
- The majority of tax-supported funds should have non-tax revenues slightly above projections by year end.

## **EXPENSES**

### **Personnel:**

Personnel expenses through the first six months are at 69.12% of budget. Offices and departments affected by the pandemic earlier in the year are mostly back on track with the exception of Health Administration (102.28%), though they will balance their personnel using grants. The Sheriff's Office also has high personnel expenses in Three Forks at 100.86% after three quarters of the year.

### **Operations:**

The operations area of the budget is showing low expenses at 54.58% three quarters of the way through the year. Areas of concern include:

- Attorney Mental Health Evaluations - 84.03%.
- Clerk & Recorder – 89.08%. FY 2021 was an election year so expenses are high, but they received a large grant that will offsets the budget overages.
- Court Services – 131.34%. Court Services faced a number of challenges during the pandemic including not having adequate space in the existing facility to perform testing while social

distancing and keeping employees safe. The Commission approved additional funding for them during the year to pay for a lease on a larger facility. They also received grant funding related to the pandemic to pay for additional testing equipment.

- County Emergency Fund – 532.02%. This is the fund that housed the CARES Act funding that was received throughout the year. The expenses in this fund are fully offset by grant funding.
- Hazardous Material – 90.86%. The contract is paid for the year and no further expenses are anticipated.
- Miscellaneous General Fund – 91.15%. These overages are mostly related to completing the FY 2019 audit.
- Park Fund – 137.21%. This is caused by the special assessment for the SID being paid from this fund. These expenses will be transferred out to the bond fund by year-end and this budget will be fine.
- State Enhanced 911 – 91.51%. This is grant funds. Operations will be fine by year end.
- Health Grants – Related to the County's pandemic response, health budgets are higher than anticipated, but these are being offset by increased grant funding, particularly in the Public Health Emergency Preparedness (PHEP) grant.

**Debt:**

Expenses are within expectations and will be within budgeted amounts. Lease payments associated with the new Fleet program are lower than anticipated because of delays in vehicle deliveries related to the pandemic.

**Capital Projects:**

The purchase of the new law enforcement building at a cost of \$5.2 million was unplanned putting expenses in the Capital Projects fund ahead of budget. This project was funded mostly using tax dollars freed up by stimulus reimbursements. A budget amendment will be completed after receiving the fifth and final CRF reimbursement.

**Enterprise/Interdepartmental Activity:**

All funds are significantly below budgeted expenses with revenues being higher than budgeted for the first nine months.

**Fire Districts / Fire Service Areas:**

Expenses and revenues are within expectations.

**Other Districts & RIDs:**

Water and Sewer Districts are not required to follow County Budget process. Therefore, the Adopted Budget will be amended by year-end to account for actual expenses and revenues. RID Maintenance and Bond Funds are doing well.

The information on the next 2 pages shows activity as of March 31, for fiscal years 2019, 2020 and 2021.

I have been using the actual first six months revenues and expenses to project year-end expenses, revenues and cash. I have met with a number of departments to provide them with my synopsis for their departments/funds and to receive their input into year-end balances. As always, if you have any questions do not hesitate to ask.
