

NOTICE AND CONSENT

The Gallatin County Clerk of District Court has been sending Court generated documents electronically, on a voluntary basis, to counsel of record, agencies, and pro se individuals since November of 2008.

This electronic transmittal replaces the standard process of mailing hardcopies of documents through the U.S. mail.

The case management system utilized by the Clerk of District Court is able to accept more than one email address per attorney (up to a maximum of 100 characters). Many attorneys are providing their email address along with their legal secretary's and paralegal's email addresses.

If you choose to receive documents by email, the subject line of the email that is sent by this office would appear as follows:

Subject: Gallatin County District Court – Cause Number – Title of Document

By providing your email address(es) below, you are voluntarily consenting to receiving Court generated documents electronically. If you have any questions, please contact us at 406-582-2166.

Please return this form by email to jbrandon@mt.gov or by mail to Clerk of District Court, 615 South 16th Avenue, Room 302, Bozeman, MT 59715.
